Delivering more than 50 years of the best bus designs

The Collins name has long been synonymous with the school bus industry. After half a century of delivering Type A school buses with A+ marks for strength and safety, it only makes sense that Collins has become the nation's most trusted bus manufacturer across every segment.

At the head of the class

Collins developed the first Type A school bus in 1967 and for more than five decades we've been committed to innovating the future of school buses and ensuring we protect our most important passengers - mile after mile. Innovative engineering and platform flexibility fuel our process to build buses that meet every need and deliver industry-leading strength and safety. Collins designs and manufactures school buses that are at the head of their class.
### Standard Body Equipment

- One-Piece 1/2” Marine Grade Plywood Flooring
- 4 Amber, 4 Red Warning Lights
- 4 Interior LED Dome Lights
- 7” Stop/Tail/Turn Exterior Lights
- 4” Stop/Tail/Backup Lights
- Rearview and Crossover Mirrors
- One-Piece Tubular Steel Roof Bows
- White Roof
- 3 Point Seats (Required on <10,000 GVWR)
- Bench Seats (Required on <10,000 GVWR)
- Tinted 28” X 30” or 36” X 30” Split Sash
- Windows with 12” Opening
- Wrap-Around Rubrails at Seat and Floor Level
- Black Wrap-Around Bumpers
- 15” Batted Insulation
- High Density Insulation Pucks

### Popular Options

- 3 Point Seats
- One-Piece 5/8” Marine Grade Plywood Flooring
- Activity Seats
- AM/FM/Bluetooth Radio
- Backup Camera
- Battery/Storage Compartment
- Child Restraint Seats
- Colored Rubber Flooring
- Crossing Control Arms
- Electric Door
- Electric Monitors
- Equipment Cage
- Fire Blocking Upholstery
- Interior Mirrors
- Kickout Windows
- LED Lighting Package
- Overhead Luggage (per state)
- PA System
- Rear Heater
- Rear to Wall A/C
- Reverse Backup Sensors
- Roof Escape Hatch
- Window and Seat Level
- Rubrails
- Safety Equipment
- Spare Tire
- Stainless Steel Wheel Covers
- Static Roof Vent
- Strake Lighting
- Track Flooring
- Vandal Lock (Emergency Door)

### Popular Floor Plans

- DES16WR - 24 Passenger w/ WC
- DES16 - 35 Passenger
- DH400 - 22 Passenger
- DHS500 - 28 Passenger
- TH500 - 20 Passenger
- THS16WR - 12 Passenger w/ WC

* Standard Equipment
* Varies based on state and options selected
** Various passenger/wheelchair configurations available
• Industry’s largest view-out window reduces blind spots and enhances visibility
• Innovative structural design provides unparalleled safety and features a one-piece tubular roof bow design
• Collins exclusive external storage compartment
• 5-Year body warranty and limited lifetime paint warranty
• Innovative electrical system offers easy-to-access service points
• Altoona tested simulating seven-years and 200,000 miles of wear

CHEVY/GM & FORD E-SERIES

The narrow-body design of the SRW offers easy vehicle maneuverability and safety, consistent with a 15-passenger van, and the optional flat floor design of the DRW offers a variety of floor plans allowing flexibility in seating configurations, and is available with special needs wheelchair options.

FORD TRANSIT SERIES

The Collins Ford Transit bus gives you greater efficiency from less fuel. The bus’ narrow body maneuvers easily, even on the tightest roads. Better front-end visibility improves safety for drivers and up to 25* passengers. The Collins Ford Transit delivers all that, all covered by the best warranty in the business.

*Varies based on your state and the options selected.
