

MobilityTRANS

AIRPORT / HOTEL SHUTTLE

The Ford Transit is an ideal shuttle vehicle with its superior people moving capabilities and low operating costs. That's why MobilityTRANS designed a dual-door passenger entry to allow easy access in and out of the vehicle.

- Save money on upfit and fuel economy over traditional cutaway buses
- Compared with the E-Series, the Transit offers higher fuel economy
- More easily serviceable than traditional cutaways
- Optional remote door opener for quick and easy operation from the driver seat or outside the vehicle
- All floor plans also available with standard Ford sliding door
- The Transit and conversion is made in the USA!
- MobilityTRANS also offers ADA-accessible wheelchair lifts and wheelchair securement
